Email Marketing Drip Campaigns

The Email Marketing Application section of Power Suite allows you to enroll a client, or a prospective buyer, into a professional email campaign with a few simple clicks.

How Do I Enroll Clients Into The Email Campaigns?

You can simply add a contact from the [Power Suite Contacts Manager](#), or go to the Email Marketing Application and add a contact to an existing email campaign.

Within the Email Marketing Application: First select the Campaign that you would like to enroll your clients in to and then use the to Edit:

Where Can I View The Emails within the Campaign?

There's two ways to do this depending on where you are in the Email Marketing app. The first way is in the Campaigns view under the  drop-down menu:

Campaigns

A window will pop up in your browser with a preview of that campaign letter:

Can I Change The Information Within the Campaign Emails?

Yes! In the Actions Drop Down Menu from the Campaign Manager, select the button of the campaign that you're wanting to make changes to. This will open a new screen that gives access to the campaign's email drip letters.
